▶ PRICE PROMISE

Our Price Promise

Complete Connect operate a global price matching scheme. As specialists in the MPO MTP fibre networking arena we have a business model that ensures we can compete from a commercial perspective. Simply put,

“We will beat any pricing for like-4-like optically performing solutions on like-4-like lead times.”

This price promise applies to all our M Series products. The Complete Connect price promise is there to ensure we keep to our mission of providing the highest performing products, on the best lead times at the best value.

All you need to do is supply an competitor's quote and we will beat that price.

Terms and Conditions

Our price guarantee is applicable with the following conditions:

- ▶ Competitor products that give like-4-like performance both optically and physically. This includes the physical properties of the cables and connectors in terms of bend radius performance and over-life connector performance
- ▶ Competitor products that give like-4-like performance specification
- ▶ On products with the same lead time
- ▶ On similar quantities. We offer project pricing discounts
- ▶ On production of a competitor's official quote
- ▶ All prices exclude local taxes and delivery costs
- ▶ Valid for 30 days from date of competitor's quote
